TERMS & CONDITIONS

Forget the legalese: the terms and conditions in this document will tell you how we at This Paper Ship produce design and illustration work. Having you read it and sign on the last page certainly protects This Paper Ship, but it also guarantees that you are paying for design and illustration of the highest possible quality. If you have more questions please visit our FAQ page at: www.thispapership.com/faq.

DESIGN PROCESS

While each design project is unique, the design process generally follows these steps:

PLANNING: *We'll talk to you and figure out what your design or illustration needs are. The more information you give us, the better. We may make some rough sketches to make sure we're envisioning the same thing. We may meet in person or talk on the phone if e-mailing isn't your thing. Once we're all on the same page, we dive in. For first-time clients, the retainer fee is due before creating the first draft.*

PROOFING: *This is where the hourly rate finally kicks in. In a timely fashion, we'll create the first draft of the project and e-mail you a copy. You can request changes, and we'll make them. Repeat and rinse until you're happy. We'll be keeping close track of the hours spent and give you progress reports along the way.*

FINISHING: *Once we've arrived at the final product, it's ready to get to you. Depending on your requests, we'll send you the final digital file (via e-mail or mailed CD) or get your product printed and mailed to you. Then we send you the final invoice detailing payment information.*

PLEASE NOTE: *These steps apply for almost everything we produce. Wedding invitations, however, are a horse of a different color! We charge a flat fee up front for design and then only charge hourly for overtime. All other invitations packages can be purchased in our shop for a flat fee.*

PHOTOGRAPHY

We offer portrait sessions, wedding photography, and more! Here are some details you will need to know.

PAYMENT: *For all photography, payments of at least 50% must be given up front (this officially books your spot with us). The final 50% must be paid in full at least one month before your event. Any final payments not made at least a month before the event are subject to a 10% late fee.*

CREATIVITY: *We are not a portrait studio. Our photography is creative, fun, personal, and down to earth. Please don't expect typical studio-style portraits that are posed and artificial! We strive to give you the most unique and meaningful photos you can find! Be in the moment. We'll do the rest!*

DESIGN FEES

PRICE QUOTES: *If you contact us initially to ask for a price quote, we'll give you one based on similar projects we've worked on in the past. However, since each project is unique, yours may end up cheaper or more expensive than our initial price quote.*

RETAINER FEE: We require from first-time clients a non-refundable \$50 retainer fee that will be subtracted from the overall fee at the end. (For custom wedding invitation packages, we require a \$100 design deposit and 100% of the overall printing fees up front when you're ready to print.) The retainer fee is due before creating the first draft.

HOURLY RATE: We charge \$45 per hour for our design services. We carefully log all of our work hours, and can give you a detailed description upon request. If you have a projected budget in mind, we can stay within it and notify you as we approach it. For rush jobs (one business week or less) and weekend work, we charge \$90 per hour. This applies to everyone! If you cannot pay it, we cannot rush it!

PAYMENT

This Paper Ship currently accepts payment via Paypal, cash, or check. Once the final product is delivered, we'll send you an invoice detailing the overall fee and breakdown of charges. Payment is due within 30 days of receiving the product. Payments not postmarked or received within 30 days are given a 10% charge, unless there's a problem and you contact us ahead of time (because we understand, everyone has their moments).

DEADLINES

We don't like it when people flake out on us, so we try to work 100% within clients' reasonable deadlines. However, please don't hold us liable if you're the one holding up the design process! Communication is key: we'll keep talking to you, you'll keep talking to us, and everyone will be happy.

DISCLAIMER

This Paper Ship reserves the right to update our terms and conditions without prior notice. The current version will always be available for download at the bottom of our website. Please keep a current version on hand at all times when receiving work from us!
